

BOEM Maryland Task Force Meeting

Meeting Purpose and Goal

Annapolis, Maryland

July 14, 2010

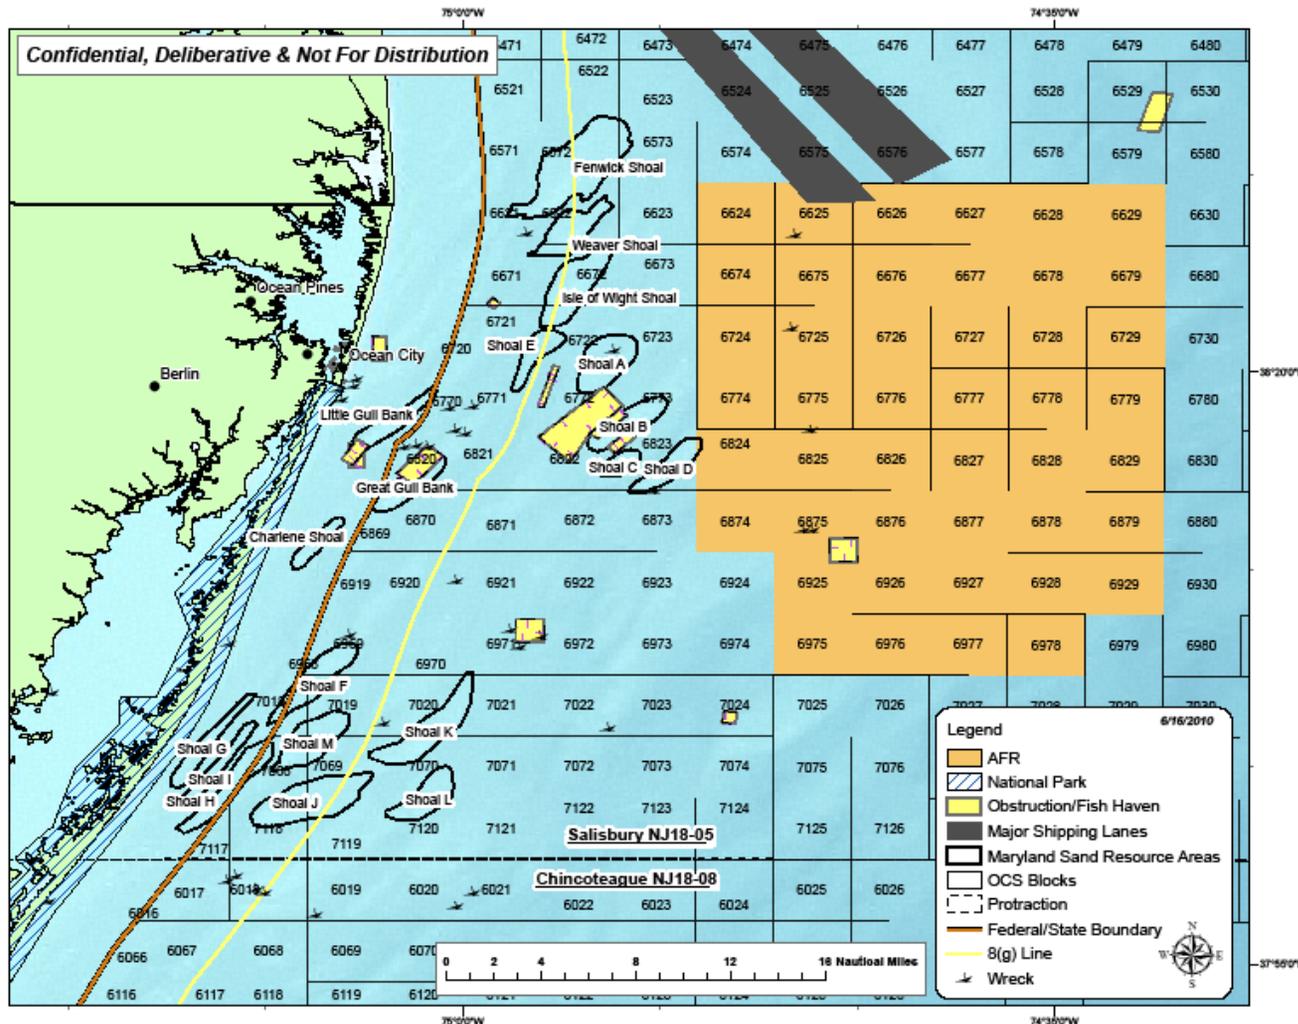

Office of Offshore Alternative Energy Programs
Bureau of Ocean Energy Management, Regulation,
and Enforcement (BOEM)

What to Accomplish at today's Meeting?

- Purpose: review and discuss comments received from task force members regarding the proposed area.
- Goal: to move forward with an area to be published in the RFI.

Initial Area Proposed Offshore Maryland

Summary of Comments Received

- Comments received from the following entities:
 - State of Maryland (Department of Natural Resources)
 - U.S. Coast Guard
 - Department of Defense

Changes Made to The RFI Document

- *Traffic Separation and Navigational Issues (Page 11)*: clarified language to reflect that the RFI may need to be modified (based on proximity to TSS)
- *Required Indication of Interest Information (Page 11)*: additional language to identify partial blocks in an expression of interest if applicable

Changes Made to The RFI Document (Contd.)

- *Protection of Privileged or Confidential Information (Page 12):* modified language to clarify confidential information as per FOIA
- Modified bureau name from MMS to BOEM: as per Secretarial Order No. 3302
